Guidelines for Being Human

1. You will receive a body.
You may like it or dislike it, but it is yours for the entire time, this time around.
2. You will learn lessons.
You are enrolled in a full time informal school called life.
Each day in this school, you will have the opportunity to learn lessons.
You may like or dislike the lessons. They are your lessons to learn.
3. There are no mistakes, only lessons.
Growth is a process of discovery and learning.
4. A lesson is repeated and presented to you in various forms until you learn it.
When you have learned it, you can then go on to the next lesson.
5. Learning lessons does not end.
Every part of life presents its lessons.
The knowledge gained from lessons may be revealed in a day, in a week, in months, or in years.
Knowledge is a stairway and each step is a step to new knowledge.
6. "There" is no better than "here."
When your "there" has become "here," you will simply obtain another "there" that will again look better than "here."
7. Others can be part of learning your lessons.
What you love or dislike about another person can reflect to you something about your inner self.
8. What you make of your life is up to you.
You have all the tools and resources you need.
What you do with them is up to you. The choice is yours.
9. Your answers lie inside you.
The answers to life's questions lie inside you.
All you need is to look inside and trust.
10. Each day, remember guidelines one through nine.

Blessings on your journey, for you are The New Earth spiritual teachers.
